**“Bikes from Bunch”
Local Business Donates Bikes to Children**

Lakeland, Florida
December 29, 2005

In keeping with its mission, “making the world a better place, one life at a time”, a local business donated 48 bicycles this week to the Salvation Army, to be distributed as gifts to children in the community. Employees at Bunch & Associates, Inc., a national disability management company headquartered in Lakeland, collected donations during the month of December, to provide the bikes.

Bunch & Associates’ Events Committee coordinated the donation project by providing a “Bikes from Bunch” donations jar to each department in the company. The total collected exceeded \$1,200.00.

Tammy Iser, the Events Committee Coordinator for Bunch & Associates, commented, “The true meaning of the Holiday Season was captured this year through the implementation of the ‘Bikes from Bunch’ program. Being able to give a little bit of what we already have, knowing it will result in 48 smiles on Christmas Day, is truly priceless!”

Inspired by this cause and the employees’ generosity, the Hazel Crosby Carlton Foundation matched the employees’ donations dollar for dollar. This enabled Bunch & Associates to purchase 45 bikes from Toys ‘R Us, ranging from tricycles to 26’ bikes. To supplement those purchased, employees donated three additional bikes. Because of these combined efforts, 48 children had a wonderful surprise waiting under the tree Sunday morning.
