**Corporate News Update - September 2008**

In keeping with its mission, “making the world a better place, one life at a time,” Bunch & Associates, Inc., (Bunch) kicked off its annual “Bikes from Bunch” fundraiser in July 2008. Each year Bunch supports The Salvation Army and raises money to purchase bicycles for children in the local community during the holidays.

To raise the money, Bunch employees team up and spend four months, from July through November, coordinating various company events - breakfast, lunch, snack, craft, and yard sales for employees to make their contribution. A walk around Lake Hollingsworth, concludes the fundraiser where Bunch employees obtain sponsors and “walk so a child could ride.”

Last year, Bunch employees raised a total of \$6841.47 for the “Bikes from Bunch” program and donated 90 bicycles, 176 board games and \$1000 grocery store gift certificates to the Salvation Army Angel Program to be distributed to children and families in the community. Inspired by this cause and employees’ overwhelming generosity, The Hazel Crosby Carlton Foundation matched employees’ donations dollar for dollar.

Bunch employees put forth a considerable effort each year to donate their time, talent and treasure for “Bikes from Bunch” and look forward to exceeding last year’s contribution for the 2008 holiday season.
