FOR IMMEDIATE RELEASE

## ANNUAL BUNCH PICNIC AT THE FLORIDA AQUARIUM

Lakeland, Florida  
June 1, 2009

Celebrating the success and commitment of its employees, Bunch & Associates, Inc. (“Bunch”) hosted its 7th annual company picnic. This year, thanks to the creativity of Bunch’s event planning group, the company picnic took place at the Florida Aquarium, located in downtown Tampa at Channelside. A total of 517 Bunch employees and their families toured the sites and sounds of the under water world and enjoyed a classic picnic style lunch, serving hot-off-the-grill hamburgers and hot dogs.

“Making the World a Better Place – One Life at a Time,” is the heartbeat of Bunch & Associates. In order to truly see this mission become a reality for its partners, Bunch must first begin by applying this principal to its employees. Believing that the foundation and success of every company begins with its employees, Bunch extends every effort to recognize and reward its associates for their stellar performance. The annual company picnic is one way Bunch honors its employees and their families.

As stated by Bunch’s Vice President of Human Resources, Teresa Vaughn, “Bunch & Associates is very fortunate to have a wonderful workforce. Investing in a family outing, such as a picnic or trip to the Aquarium for Bunch employees and their families, is a small token of Bunch’s appreciation. Bunch believes these events build camaraderie and good will.”

Bunch is grateful for the dedication and commitment from its staff and takes pleasure in celebrating the relationship with its employees in such an enjoyable, memorable way.

### ***About Bunch & Associates:***

Bunch & Associates is a disability management company headquartered in Lakeland, Florida. It is recognized by many employers as a preferred partner because it truly delivers service beyond expectations. Integrating technology, service and value, Bunch’s multi-disciplinary approach brings claim adjusters, nurse case managers, medical bill review staff and treating physicians together to act as extensions of the employer's Risk Management Department. Working together, Bunch has proven its ability to significantly improve the results achieved by traditional insurance programs.
