FOR IMMEDIATE RELEASE

CYNTHIA BUNCH JOINS THE CHAIRMAN'S CIRCLE

Lakeland, Florida
February 20, 2006

Cynthia Bunch, the founder, owner and Chairman of the Board of Bunch & Associates, Inc., was recently honored by an invitation to join the Chairman's Circle, an elite group of business leaders who serve within the Lakeland Area Chamber of Commerce. The Chamber is governed by a 44-member board of directors, which represents the demographic composition of Lakeland's business community.

The Chairman's Circle provides a business forum for senior-level executives in the community, as an avenue to network and strategize for marketing and membership events, with the goal of enhancing the climate for Lakeland businesses. The mission of the Chairman's Circle is "to unite as business leaders to advance the economic growth of member businesses of the Chairman's Circle and Lakeland Area Chamber of Commerce."

An energetic and innovative leader, Cynthia Bunch is an ideal addition to this group. After becoming a Registered Nurse in 1983, Cynthia selected avenues of nursing targeted to optimize the impact she could have on individual lives. When she applied her clinical expertise to the workers' compensation industry in 1988, Cynthia found her true calling, which remains the mission of Bunch & Associates today: "to make the world a better place, one life at a time".

By establishing Bunch & Associates, a national disability management company, Cynthia's mission today is fulfilled in the lives of hundreds of thousands of workers' compensation claimants. With over 40% growth for the past several years and a client list which includes several Fortune 500 companies, Bunch & Associates continues to rise in stature, earning a reputation as a committed partner in serving claimants' best interests. The company currently operates seven offices in five states, with immediate plans for further expansion.
