On December 1, 2005, Bunch & Associates welcomed MC Olson as the new Vice President, Managed Care. As evidenced by continued growth of 35-40% over the past six years, the ability to consistently provide high-quality innovative case management solutions is both valued by current and potential clients as well as of paramount importance to our organizational success. MC brings the senior management experience and strategic perspective needed for Bunch to continue to grow in both size and stature.

Most recently, and since 2000, MC served as the National Vice President – Case Management/Physician Advisory Operations where she managed a geographically dispersed group of 1500 employees.
