FOR IMMEDIATE RELEASE

### **Bunch Announces New Client: Select Staffing**

Lakeland, Florida (February 2, 2011) – Bunch & Associates LLC (hereafter “Bunch”) is pleased to announce that it has been chosen as the preferred managed care partner for Select Staffing (hereafter “Select”). Bunch will provide medical case management services as part of Select’s workers’ compensation program. Bunch, whose clients include other professional staffing organizations, has both the experience and industry expertise to handle the risk management needs unique to companies in the employment services sector.

Select was founded in 1985 and is headquartered in Santa Barbara, California. It is part of The Select Family of Staffing Companies. With 400 branches nationwide, it is considered one of the fastest-growing, full-service staffing companies in the country. Select specializes in comprehensive staffing and workforce management, which includes recruiting, applicant screening, payroll and attendance management, and specialty staffing. On any given day, Select has over 120,000 temporary associates on assignment serving over 6,500 companies in the manufacturing, finance, professional services and information technology industries.

Select’s Risk and Insurance program is widely recognized as one of the most sophisticated in the industry. It has received four of the highest awards in the field, including Risk Manager of the Year in 2009 and Risk Innovator of the Year in 2008. Bunch is honored to have been chosen, from among several top finalists, as Select’s exclusive case management partner. As a world-class risk management company, Select only partners with the industry’s best. The Select/Bunch partnership is a true testimony to the success of Bunch’s managed care programs.

With more than two decades of demonstrated experience in the workers’ compensation arena, along with its unique approach to managed care, Bunch is well-positioned to assist Select in lowering its total workers’ compensation expenditures while expediting quality return to work outcomes for injured employees. Bunch’s suite of specialized nurse case management services will bring significant value to the Select program.

***About Bunch & Associates:***

Bunch & Associates is a disability management company headquartered in Lakeland, Florida. It is recognized by many employers as a preferred partner delivering service beyond expectations. Bunch’s multi-disciplinary approach, integrating technology, service and value, brings claim adjusters, nurse case managers, medical bill review staff and treating physicians together to act as extensions of the employer’s risk management department to lessen the client’s loss development curve. For more than two decades, Bunch has proven its ability to significantly improve on the results achieved by traditional insurance programs.
