FOR IMMEDIATE RELEASE

BUNCH & ASSOCIATES INC. INVESTS IN TECHNOLOGY

Lakeland, Florida
November 11, 2009

Bunch & Associates, Inc. (“Bunch”) is proud to announce the completion of another round of substantial investments in technology. These upgrades and enhancements will enable Bunch to continue serving as a leader in the workers’ compensation industry.

Bunch’s CIO, Leo Hurtado, shared the details of these enhancements stating: “Through the acquisition of significant new software and hardware, Bunch has strengthened its foundation, resulting in superior service to its partners. Some of these initiatives include:

- Implemented Phase I of a modern Voice-Over Internet Protocol (VOIP) telephone system.
- Migrated corporate information to a new state-of-the-art Storage Area Network (SAN); which provides faster access to data and fail-safe redundancy.
- Upgraded network server farm to include faster and more powerful servers.
- Migrated the majority of mission-critical applications to a 64-bit LINUX platform providing more computing power and stability.
- Developed and launched the latest version of Bunch’s enterprise case management processing system: Citadel 2.0.

Mr. Hurtado added: “These enhancements to Bunch’s technology foundation will support the anticipated growth and new product offerings, including Bunch’s predictive modeling tool: SCORE™.”

Bunch has attained industry superiority through a continued focus on pioneering products and services that result in rapid return to work for its valued client’s injured employees. Bunch remains committed to reinvest in its future with a substantial capital intensive campaign to ensure it maintains the most technologically advanced platform in the industry.

About Bunch & Associates:

Bunch & Associates is a disability management company headquartered in Lakeland, Florida. It is recognized by many employers as a preferred partner because it truly delivers service beyond expectations. Integrating technology, service and value, Bunch’s multi-disciplinary approach brings claim adjusters, nurse case managers, medical bill review staff and treating physicians together to act as extensions of the employer’s Risk Management Department. Working together, Bunch has proven its ability to significantly improve the results achieved by traditional insurance programs.
