On February 17, 2004, Winn-Dixie, Inc. awarded Bunch & Associates, Inc. the contract for services to begin on March 15, 2004. Under the terms of the contract, Bunch will provide comprehensive telephonic case management and medical bill review services for Winn-Dixie. Bunch & Associates is a disability management company that provides medical case management and medical bill review. Winn-Dixie operates stores in the Bahamas, as well as in the following 12 states: Florida, Alabama, North Carolina, Georgia, Louisiana, Mississippi, South Carolina, Kentucky, Virginia, Ohio, Tennessee and Indiana. Over half of their 1,070 stores are concentrated in the Southern states, with 440 stores in Florida alone. Bunch & Associates is recognized by many employers as a preferred partner because it truly delivers service beyond expectations. Integrating technology, service and value, Bunch & Associates' multi-disciplinary approach brings claim adjusters, nurse case managers, medical bill review staff and treating physicians together to act as extensions of the employer's Risk Management Department. Working together, Bunch & Associates has proven its ability to significantly improve the results achieved by traditional insurance programs.
