## BUNCH CLIENT AWARDED 2010 RISK MANAGER OF THE YEAR

Bunch & Associates, Inc. (“Bunch”) congratulates Debbie Rodgers, Vice President of Global Risk Management, ARAMARK ([www.aramark.com](http://www.aramark.com)), on winning the Risk Manager of the Year 2010 designated by Business Insurance.

The Risk Manager of the Year award was created in 1977 by Business Insurance to increase recognition of risk management professionals and the outstanding programs they create and manage for their organizations. Any full-time executive who administers risk management programs for a corporate, nonprofit institution or government entity is eligible for the “Risk Manger of the Year” program. The nominations are judged by an independent panel representing prior honorees, insurance industry leaders and the immediate past president of RIMS.

Bunch is delighted to travel with this valued client on their road to success.

### ***About Bunch & Associates:***

Bunch & Associates is a disability management company headquartered in Lakeland, Florida. It is recognized by many employers as a preferred partner because it truly delivers service beyond expectations. Integrating technology, service and value, Bunch’s multi-disciplinary approach brings claims adjusters, nurse case managers, medical bill review staff and treating physicians together to act as extensions of the employer's Risk Management Department. Working together, Bunch has proven its ability to significantly improve the results achieved by traditional insurance programs.
